

## **PRESS RELEASE**

### **ENCO expanding in Puerto Rico and the Caribbean, appoints RGB Broadcast Services as Dealer**

Southfield, Michigan, September 7, 2006: ENCO Systems Inc., a leading worldwide provider of Digital Audio Delivery Systems, announced that RGB Broadcast Services Corporation of Puerto Rico has been appointed distributor for ENCO radio and television audio automation systems throughout the Caribbean Region. RGB will provide a regional sales and support facility to address growing demand for ENCO products in the region.

"Having a strong dealer in the greater Caribbean region is a key part of our global strategy, and we are excited that RGB Corporation has chosen to partner with ENCO as our dealer, distributor and first tier technical support provider in that region." says Don Backus, Vice President of Sales and Marketing for ENCO.

#### **About RGB Broadcast Services Corporation ( [www.rgbbroadcast.com](http://www.rgbbroadcast.com) )**

RGB is one of the most recognized Telecommunications companies in Puerto Rico, specialized in sales, services, consulting and installation of technical products related to broadcast professional, audiovisual, production and post production areas. RGB was created and incorporated at the State Department in 1991 by engineering wise people. Easy access to facilities located at 529 Andalucía Street in Puerto Nuevo has contributed to the company's rapid growth along with the convenience for clients of finding everything in the same place: service and repair, sales and pick up of merchandise.

#### **About ENCO ( [www.enco.com](http://www.enco.com) )**

ENCO Systems is a leading provider of Digital Audio Delivery Systems for demanding television and radio organizations worldwide. ENCO is headquartered in Southfield, Michigan with offices in Oregon, Minnesota, South Carolina, India and the United Kingdom and retains distributors throughout the rest of the world.
