

## **PRESS RELEASE**

### **ENCO Welcomes WMAL - Washington to the DAD<sup>®</sup> Family**

Southfield, Michigan, September 16, 2005: ENCO Systems Inc., a leading worldwide provider of Digital Audio Delivery Systems for television and radio broadcasters, today announced WMAL in Washington has placed orders for ENCO's DAD family of advanced station automation capabilities. DAD will provide new automation, on air assist and streaming functions for WMAL 630, WRQX Mix 107.3 FM and WJZW Smooth Jazz 105.9 FM, all ABC Inc. owned stations broadcasting from Washington DC.

ENCO's DAD system is well suited to the fast paced requirements of large news and news/talk formats and fully supports the needs of stations seeking to integrate WEB content with their programming. The initial implementation calls for 16 workstations with a full compliment of DAD software for library management, playlist creation, voice tracking, editing, routing, on-air assist, streaming and traffic integration.
